- Suggestions from the Parents-

1. Mrs. Sandhya Khandelwal, parent of Std. 2 wanted to know the details of the morning and evening sports activities provided in school.

   Deepali Ma'am and Suja Ma'am explained that the extra sports activities are for students of Std V onwards.

   - She also wanted clarification as to why students are not sent to the school ground during the lunch break for free play time.

     Ma'am replied that students are not allowed to play on the ground due to heat and health related issues that may arise as result of playing immediately after lunch break. Ground is available to the students twice a week during PE period. She, however, clarified that the children are allowed to play in the corridor during the break as a part of free play.

2. Mrs. Manisha Powar, parent of Std 3 appreciated the school's initiative to include Leader in Me into the curriculum. She also thanked the school for instilling the qualities of decision making and logical thinking abilities in the children at the early age.

   The chairperson thanked the parent and said that as an institution CPS always ensures that every activity conducted within the framework of the school ensures every student has real world abilities rather than just focusing on marks and bookish knowledge.

3. Mrs. Vibha Khakurdikar, parent of Std. 6 requested clarification as to why 2nd October is a full working day as opposed to being a holiday like other schools.

   Ma'am replied that National holidays are non-instructional working days rather than being holidays. Attendance during these days is compulsory. School is specifically open during Gandhi Jayanti so as to imbibe the philosophy of Gandhiji in the students and make them understand the importance of his work and life.

- The meeting ended with vote of thanks
