- Changes in booklist for std 5th and std 6th are mentioned for the academic year 2025-26, wherein NCERT books will be referred. The list of the books will be uploaded in TEAMS.
- The new school timing for std 8th to std 10th will be 7:30 am to 2:30 pm.
- Skill Lab and 3rd language will be introduced for std 6th.
- The selection process for the language test will include examinations in both English and Marathi subjects. The test will assess proficiency in selecting the subject.
- Parents should be cautious in selecting the subject as changing the subject midway is difficult.
- For the Skill Lab, students should have the freedom to choose based on their interests and passions rather than being influenced by stereotypical expectations tied to future professions.
- Generation of APAAR ID is compulsory for all the students.

**Suggestions from Parents:**

- Parent wants to know if during AI session children were given the knowledge of different educational tools like CHATGPT.
  - Children are trained with the basics and how to use correct prompts.
- Some parents had concern about the quality of the uniforms. According to them they are not comfortable and have poor colour quality.
  - Quality check is assured.
- Parents raised the concern if extra elementary classes will be conducted for secondary classes after 2:30 pm so that the students can avail the bus service.
  - It will be informed prior the session begins.

- For competitive exams hard copies of the forms are difficult to preserve so parents requested to provide a calendar with tentative dates instead of updating in WHATSAPP which is confusing to track.
  - It will be taken care of if necessary action is possible.
- Parent suggested if a common platform for competitive exams can be created, such as "classwise-monthly- exams" for hassle free tracking.
  - Teams can be opted for uploading exams and their tentative dates in a separate channel.

**Closure**: The meeting was concluded with a vote of thanks by Principal, Suja Rajesh Ma'am at 11:40 am.
